About Us

POEA LICENSE NO. 244-LB-110918-R

Bison Management Corporation (BMC) is a privately-owned recruitment and placement company based in Makati, Philippines. For 35 years, Bison Management Corporation is able to uphold the highest business standards with the Philippine Overseas Employment Administration (POEA) in the last 35 years, earning us the reputation of being one of the best in the industry.

Our quality assurance is borne by the appreciation of the importance of a systematic program of selection and placement of human resources, allowing us to get down to vital details of our clients' manpower demands, in return giving us the opportunity to individually custom fit the services we provide.

Mission

To manage an international staffing aligned to the National goals, contributing to the national development and economic prosperity, with the spirit of responsible stewardship, professionalism and continued quest for service excellence.

Vision

To be the leading customer-focused company in the international staffing industry in terms of satisfied employees, competent candidates and a set of standard for excellence, leadership and integrity that provides services that meet the employer's expectations.

History and Milestones

1984

Bison Management Corporation established its first office in Quezon City, Philippines and started deploying Filipino workers to the Middle East and neighboring Asian countries.
